Re: Exciting Pizza eating development opportunities going forward

Dear Sir/Madam,

I am writing to explore pizza night development opportunities in the position of eating pizza, on 25 February of this year. I would like to express my interest in eating pizza. You will see from the enclosed resume that I am at present very good at eating pizza (although I am currently not eating a pizza). I am extremely keen to eat pizza (especially pizza that is made with extra 'pizzaness' and served with wine).

I have read your annual report and you consistently indicate an interest in pizza eaters. I believe I am well suited to a position requiring me to eat pizza. I can consume ones with cheese, chilli and even pineapple. I have completed many pizzas in the past. You will note my results in not staining my shirt too much. As indicated in my resume I have never left a pizza in an uneaten state.

I look forward to discussing further my interest in eating pizza. I would be pleased to supply any further documentation and recipes you require. I am excited by the opportunity to eat pizza and to contribute in a positive way to the eating pizza discipline. I can be contacted on the above phone number or email address. Thank you for considering my application. I have the pleasure to remain, sir,

Your most humble and obedient
servant,

Huw Rowlands P.IZ.ZA
