To whom it may concern,

Please accept this letter as a character reference for Calista Beck. I have known her for several years through our mutual involvement in ACT Rovers. During this time I have had been on several long adventures with her, often camping and living close together, in places like the Solomon Islands and Cape York.

During our adventures, Calista was tidy and was easy to live with. When driving over long distances in cars with many people it is important to respect each other's personal spaces. Calista was a helpful and a good co-traveller.

Our adventures have, of course, always cost money. Calista is well organised and has always paid in good time.

It's my opinion that Calista would be an excellent tennant for your house. If you require any further explanation please don't hesitate to ring me on the number above.

Yours faithfully,

Huw Rowlands
